Man's Word versus God's Word About Sin

Man says sin is an accident, God says it is an abomination.
Man says it is a blunder, God says it is blindness.
Man says it is a chance, God says it is a choice.
Man says it is a disease, God says it is a defect.
Man says it is an error, God says it is enmity.
Man says it is a fascination, God says it is a fatality.
Man says it is great, God says it is gross.
Man says it is happiness, God says it is hateful.
Man says it is innocent, God says it is indecency.
Man says it is justified, God says it brings judgment.
Man says it is keen, God says it kills.
Man says it is liberating, God says it is a liability.
Man says it is a mistake, God says it is murderous.
Man says it is naughty, God says it is nauseating.
Man says it is an opportunity, God says it is oppression.
Man says it is passion, God says it is a pity.
Man says it is quirk, God says it is a quagmire.
Man says it is reward, God says it is repulsive.
Man says it is sickness, God says it is a sin.
Man says it is a trifle, God says it is a tragedy.
Man says it is unavoidable, God says it is ungodliness.
Man says it is a virtue, God says it is a violation.
Man says it is a weakness, God says it is wickedness.
Man says it is exciting, God says it is excess.
Man says it is yearning, God says it is yielding.
Man says it is zesty, God says it is a zero!
