New Safety and Security Procedures

The men of the congregation have put the following procedures in place to further the safety and security of each member.

For 6:00 AM worship service, all doors should be locked, with the exception of one front glass door in the front by 6:15.

All doors should be locked by 9:35 on Sunday mornings for classes, with the exception of two rear doors, and two front doors.

All doors should be locked by 10:35 on Sunday mornings for worship services, with the exception of one front glass door.

All doors should be locked on Wednesday evenings for Bible Study, and classes by 7:05, with the exception of one front glass door.

During our Gospel Meetings, devotionals, and any other such events, all doors are to be locked, with the exception of one front glass door, after a five minute allowance has expired for late arrivals.

If someone leaves the building during class, or worship service, they should be escorted by a Safety Team member.

Once worship service, Bible study, and or classes are over, two Safety Team members should dispatch themselves to the parking areas. One to the front parking area, and the other to the rear parking area.

In order to help those who used to park in the rear, or are running late, all parking areas are open to anyone, anywhere on property after 6:15, 9:35, and 10:35 on Sunday mornings, 5:05 on Sunday evenings, and 7:05 on Wednesday evenings to include handicap, and or visitor parking as formerly unlocked doors will now be locked sooner.

We can adjust these times, or change this policy as events occur, or as is deemed necessary, or appropriate in the future.
