Introductory Thoughts

Big picture faith shapes decisions, attitudes, and endurance because it knows God finishes what He starts.

Big picture faith is the faith that refuses to let the moment define the meaning.

It sees God's hand in places our eyes cannot yet see.

3

Big Picture Faith Sees Beyond the Visible - Hebrews 11:1

Faith is confidence in what we cannot see but what God has already declared.

The world trains us to trust what is measurable - God trains us to trust what is eternal.

Faith is not blind optimism — it is anchored in God's character.

When you see only the moment, you panic - When you see God's promise, you persevere.

4

Big Picture Faith Remembers God's Track Record - Hebrews 11:2

The early elders didn't have perfect lives — they had persistent trust.

Abraham walked without a map.

Noah built without applause.

Moses obeyed without immediate results.

Their stories remind us: God has never failed His people.

5

Big Picture Faith Obeys Before It Understands - Hebrews 11:8

Faith moves even when the details are unclear.

God rarely gives step 2 until you take step 1.

Obedience is the bridge between God's promise and God's fulfillment.

Faith is not about knowing the plan — it's about knowing the Planner.

6

***Big Picture Faith Endures the Long Road -
Hebrews 11:13–16***

Faith is not a moment; it is a lifetime of direction.

The heroes of faith “died in faith,” still trusting God.

They lived as pilgrims — not settlers — because they saw a better country.

Endurance is the evidence of genuine faith.

7

***Big Picture Faith Lives for the Better
Country - Hebrews 11:16***

Faith lifts our eyes from earth to eternity.

God is not ashamed to be called their God.

Heaven is not an escape — it is the destination that shapes how we live now.

When you know where you’re going, you know how to walk.

8

Closing Remarks

Big Picture Faith is not about having all the answers — it's about trusting the God who does.

When we learn to see life through God's long lens, we stop panicking in the moment and start persevering in the mission.

Big picture faith gives us courage to obey, strength to endure, and hope to keep walking — because we know the God who holds the whole picture also holds us.

9

Closing Remarks

Big picture faith reminds us that God is not done, the story is not over, and the best chapters are the ones He writes beyond our sight.
